All Club Water Safety Coordinators are required to attend the Team Managers' meeting with the Carnival Referee on both days at each carnival to report on status of numbers.

As per the NQB 2025/26 Surf Sports Manual, all Clubs MUST meet their 1:8 ratio Water Safety to competitor nominated ratio including 2 reserve personnel with current SRC/Bronze Medallion award. (subject to change if required).

Names of Clubs Water Safety personnel are to be sent to NQ Branch email: northqueensland@lifesaving.com.au and gcullen@lifesaving.com.au

The nominated Host Club Water Safety Coordinator is responsible for briefing and coordination of water safety on the day. **If a club cannot supply the required numbers, an explanation letter is to be forwarded immediately to the BoSS for review.** Dependent on the conditions, the Carnival Referee may request extra water personnel.

All Water Safety Personnel must sign in and out with the Water Safety Coordinator and wear the approved SLSC water safety uniform, no exceptions! If water safety is not present or there are insufficient water safety personnel numbers, the Carnival Referee will suspend water events in that arena. All water safety personnel must be financial members, hold the appropriate award for the task being undertaken (SRC/BM/IRBC/IRBD) and wearing the correct orange water safety rashie (in good condition) and orange cap – this is your clubs' responsibility!

Cairns Carnival water safety allocations will be provided on a spreadsheet for the carnival. Each Club is responsible to ensure that they provide the necessary personnel and equipment to fulfil their obligation as per the NQ Branch Surf Sports Booklet. Please note no water safety = no competition.

HEALTH & WELLBEING

The welfare of all competitors and officials is of paramount importance and athletes or their Parent/guardian in the case of underage competitors should seek advice prior to the competition from a qualified professional for any health concerns if required.

Any competitor or official who suffers illness or injury prior to or at the event must seek a medical clearance before resuming their normal activities which includes training and competition.

In addition, SLSQ may, at its sole discretion, require a competitor and/or official to be assessed for physical and/or psychological fitness to participate in the competition. This ensures the safety and wellbeing of the athlete concerned and fellow competitors while also ensuring all parties and SLSQ are not placed at risk.

SLSQ will be supplying adequate shade tents at all marshalling areas for officials and competitors throughout the event. It is highly recommended that all athletes ensure they carry with them adequate apparel to assist with reduction of sunburn, along with recommended use of sunscreen throughout the day.

Water barrels will be available under the marshalling tents for officials, team managers and competitor use. These barrels are in place for all persons to use and fill up their own water bottles. Please note, no drinking cups will be supplied.
