

CAIRNS SLSC NEWSLETTER

Message from Cairns SLSC President, Tony Hannan

Our 2025 surf season is gaining momentum and disappearing fast!

With the Ellis Beach Carnival happening this weekend, we're just one month out from the Port Douglas Branch Carnival, followed by the North Aussies in Mackay three weeks later. Patrols will continue through to the end of November, so there's still plenty of action ahead.

We're now entering the business end of the competitive season, with just seven weeks to go. If you're serious about competing, now's the time to lift your game!

On top of that, we've got four Skills Maintenance sessions, as well as upcoming SRC and Bronze Medallion courses. Please mark these in your calendars and remind your fellow clubbies and friends, staying current is essential.

The importance of keeping our skills sharp was highlighted just last Saturday when Patrol 4 responded to an IRB water rescue after someone jumped from the Palm Cove jetty. Feedback from Comms described it as a slick, professional operation, and our entire club applauds the team's quick and capable response.

Let's not forget, our number one priority is saving lives. 🙌🌊

Last month, I had the opportunity to attend the SLSQ Conference in Brisbane. It was incredibly inspiring and a fantastic chance to connect with other clubs across Queensland. I came away feeling energised, motivated, and far more knowledgeable about how we can continue to grow and improve as a club, both on and off the beach.

I'd also like to extend a big thank you to those who have stepped up and responded to our call for more help with club operations. The journey isn't over yet, and any contribution, big or small from our new members and families is truly appreciated. If you're keen to get involved, don't hesitate to reach out to our fantastic Club Administrator, Jill.

A quick note on this weekend's Ellis Beach Carnival: it will run Saturday only, with a multi-club teams' format and no points awarded. It's a perfect opportunity to embrace everything we're about: Fun, Family, and Friendship.

Thanks again for all you do — on the beach and behind the scenes.

Yours in Surf Lifesaving, Fun, and Fitness

Tony

Update from Cairns SLSC Secretary Sue Way

Just a quick update on a couple of exciting developments at the club!

We're expecting **delivery of two new Fenn skis** within the week, a fantastic addition to our equipment that will further support our training and competition efforts. Big thanks to everyone involved in making this happen!

We're also currently **looking into installing a fence along the back of the car park** to improve the security of our building and grounds. This is an important step in keeping our equipment safe and our facilities secure for all members.

As always, thank you for your continued support, we'll keep you updated as things progress!

Surf Sports Update from Surf Sports Officer, Shaun Taylor

Home Carnival Wrap-Up

From the outside, our recent home carnival looked like a great success, and overall, it absolutely was! The atmosphere was fantastic, our competitors shone, and the sense of community was strong throughout the day.

Behind the scenes, however, it wasn't without a few challenges. A shortage of volunteers meant we had to reduce the number of arenas from three to two. While not ideal, our team pulled together brilliantly to keep things running as smoothly as possible. We're already looking ahead to next year with plans to improve and avoid the same hurdles, so if you're considering getting

involved in the future, we'd love to hear from you!

We're also incredibly proud to share that our club recorded 109 wins and was crowned the overall winning club, what an outstanding achievement! Congratulations to all our competitors, coaches, age managers, officials', water safety and support crew 😊

Head over to our Facebook page to see all the fantastic photos from the carnival—so many great moments captured! [Facebook](#)

Cairns Carnival – Thank You!

A big thank you to everyone who helped at the Cairns Carnival, your support is always so appreciated!

I know I sound like a broken record, but we genuinely do need more hands-on deck. Getting more people involved helps prevent burnout, spreads the load, and most importantly, ensures our carnivals run smoothly and safely for everyone.

As we head toward the end of the season, it's also a great time to start thinking ahead to next year. Whether you're a seasoned volunteer or considering getting involved for the first time, we'd love to have you on board. Every bit of help makes a big difference and helps set us up for an even better season ahead!

🎃 A Big Weekend Ahead!

Get ready for a huge weekend of fun and action:

- 📍 Saturday 13th September – *Ellis Beach Carnival*
- 📍 Sunday 14th September – *Nippers*

🎃 *This year's theme is Halloween* – so come dressed in your spookiest gear! Let's make this final Gran Fondo one to remember! 🕸️ 👻 🕷️ Let's keep the energy high and the smiles wide.

CTO update from Paul Mead

We have some training coming up to finish off the season with. This is really important training as it provides you with awards that support the club for the start of next patrol season.

This year we have 8 patrol teams. We would really like to increase this to 10 next year to reduce the number of patrols everyone does each season. We can only do this if we are able to increase the number of people who hold awards that we are short of.

-Patrol Captains – We need more patrol captains to increase our teams to 10.

-IRB Crew and Drivers – We are critically short of drivers! The pathway to getting your drivers is starting your crew award this year!

-Advanced Resuscitation Techniques – A critical award for each patrol. Having several people on each patrol with this award really helps!

Please consider doing at least one of these awards this year, it really helps your patrol mates, and the club. Some of the courses are now on e-learning to enrol.

Several first aid courses are also being conducted. There is an online component and then the face-to-face for a few hours at branch. This course is nationally accredited, so

can count for your employment as well. It needs to be done every three years.

Most of the courses are now on e-learning to enrol.

SIZZLING SUCCESS. OUR BBQ FUNDRAISING HITS A NEW HIGH!

What a year it's been for our legendary club BBQ!

Thanks to the amazing support of our club families, friends, and wider community, we've raised a staggering \$16,000 through BBQ fundraising efforts this year, an absolutely phenomenal result!

At our recent home carnival alone, the BBQ made a profit of over \$4,000, which is a huge contribution to our club's fundraising goals. Every sausage sizzled, every burger flipped, and every drink sold has helped us continue to support our club to purchase much needed vital training and lifesaving equipment.

A special thank you goes to Anna for her fantastic organisation and leadership, pulling together a great team that keep things running like clockwork. And of course, we can't forget our all-day, every-day BBQ regulars: Steve, Doug, and Chris. Your commitment and energy are truly appreciated!

To all the other amazing volunteers who jumped on the tongs, served with a smile, restocked supplies, or supported in any way, thank you! It's this kind of club spirit that makes everything possible.

And the best part? **BBQ season isn't over yet!** If you're keen to lend a hand, there's still time to get involved. Whether it's an hour on the grill or helping behind the scenes, every bit counts, and we'd love to have you on board.

We're incredibly proud of what we've achieved and so grateful for the community behind it. Here's to more great times, and great BBQs, ahead!

VOLUNTEER HOURS UPDATE – AS OF END OF AUGUST 2025 🧯

Our amazing lifesavers have racked up a massive 2,614 hours on patrol and water safety so far this season! That's 2,614 hours of dedication, vigilance, and keeping our beaches safe and welcoming for everyone. 🙌🌊

A huge thank you to every single volunteer who's pulled on the red and yellow, or thrown on an orange rashie, you are the heartbeat of our club. ❤️💛

Below is a shout-out to the legends who've clocked the most hours across Patrol, Water Safety, and Other Roles (including officials, trainers, BBQ crew, shop helpers and more).

PATROL

SHOUTOUT to Team 4 for their incredible rescue on September 7th!

Led by PC Rob Campbell, the team responded swiftly and decisively to a potentially tragic situation at the Palm Cove Jetty. A man had entered the water in an attempt to retrieve a shoe and quickly found himself in serious danger.

Thanks to the quick actions of Rob and his team, along with support from Queensland Police Service (QPS) and Queensland Ambulance Service (QAS), the man was pulled from the water just in time. After recovering briefly at the scene, he was transported to Cairns Hospital for further care.

What could have ended in disaster was prevented by outstanding teamwork, professionalism, and a fast response.

Well done to all involved, true heroes in action.

LUNCHES

Just a quick reminder for Sundays when the BBQ is running, the preference is that you eat from the BBQ if you're grabbing food. We totally understand that some of you might want to wait towards the end of your shift to eat & there has been the odd occasion when the BBQ is finished, and that's absolutely fine!

However, under no circumstances should anyone be helping themselves to food from *both* the BBQ and the Supporters Club. (Not that any of you would... 😊)

Thanks for your understanding and for keeping things fair for everyone! 🙌

SPOTLIGHT ON THE JAC AND AGE MANAGERS

We'd like to take a moment to recognize the incredible work of our Junior Activities Coordinator (JAC), Richard, and all our dedicated Age Managers who look after our nippers with great care and commitment.

Richard approaches his role both seriously and personally, often double-checking every detail to ensure everything runs smoothly and everyone has a great time. Behind the scenes, he spends countless hours supporting the junior program, making sure our nippers are safe, happy, and well cared for.

Our Age Managers also play a vital role, dedicating their time and energy to guiding and supporting the kids at every step. Together, this team is the backbone of our junior activities.

That said, with more parents stepping up to help, the program could flourish even further. Additional support would not only lighten the load on our current team but also allow us to offer more activities, provide greater individual attention to each nipper, and enhance the overall experience for the kids. When more hands get involved, it creates a stronger sense of community, fosters valuable connections among families, and helps build a positive, inclusive environment where everyone thrives. Your involvement, no matter how big or small, makes a real difference in enriching the program and ensuring its continued success.

If you're a parent or caregiver interested in getting involved, we'd love to hear from you! Whether it's helping out as an Age Manager, assisting at events, or supporting in other ways, every bit of help makes a big difference.

Thank you to Richard, our Age Managers, and all the parents who contribute their time and enthusiasm. Your efforts truly make a difference!
