

YOUR SAFETY MATTERS!

Creating a Safe and Supportive Environment for All Young Members

Your Right to Be Safe

You have the right to feel safe, happy, and respected at all times. No one should ever hurt you, scare you, or make you feel uncomfortable.

What's NOT Okay

If someone touches you in a way that feels wrong, says mean things, tells you to keep upsetting secrets, shows you things that aren't for kids, or leaves you out on purpose – that's not okay. You should always tell someone.

You are important.
You deserve to feel safe.
And there are adults who care and want to help.
